

ASIA PACIFIC ADVERTISING TRENDS 2015

ABOUT THE PUBLISHER

MPA is a leading provider of advisory, consulting and research services, focusing on the media and telecommunications industries in Asia Pacific.

Our teams, operating out of Hong Kong, India and Singapore, track 19 markets with local depth and evaluate more than 150 companies and provide in-depth analysis of key segments within the media, communications and entertainment industries including advertising, broadcasting, broadband, digital, pay-TV and telecoms.

MPA produces three definitive research reports every year: *ASIA PACIFIC ADVERTISING TRENDS*; *ASIA PACIFIC PAY-TV & BROADBAND MARKETS*; and *ASIA PACIFIC ONLINE VIDEO DISTRIBUTION*. MPA also produces a dedicated bi-monthly report focused on India's media & communications industries, *MEDIA ROUTE 26 INDIA*.

We have advised a wider range of companies on M&A, equity and debt transactions totaling more than US\$30 billion over the last 15 years. We also works with global, regional and local companies to benchmark competition and industry performance, achieve optimal synergies, and launch new services and products across new markets.

MPA organizes and hosts the leading media & telecoms industry stakeholders in Asia Pacific every year, at the APOS forum in Bali, bringing together key players across various industry ecosystems to strike partnerships and deals and discuss key sector trends. MPA also organizes and hosts local country forums and roundtables across Asia Pacific every year.
